A high-action photograph of a surfer in a purple wetsuit riding a white surfboard inside the barrel of a massive, curling blue wave. The water is splashing and creating a tunnel effect around the surfer. In the background, a coastline with green hills and a blue sky with white clouds is visible. An orange square graphic element is positioned above the text box.

DREAM CAR GARAGE

Dream Car Garage is a weekly television show hosted by Tom Hnatiw an ex-race car driver and commentator, and Peter Klutt car enthusiast and the owner of Legendary Motorcar Ltd. Many of the vehicles featured on the show come from Legendary Motorcar Company Ltd. The show focuses on what it considers to be the dream cars of the regular, everyday man. It features a Classic Dream Car segment (presented by Klutt), which centers around an older car that would appeal to collectors or simply a nostalgic buyer, as well as a Modern Dream Car segment (presented by Hnatiw) which involves a modern supercar or high-performance vehicle. Every season the team chooses an old or broken down car and repair it or tunes it up for the show.
