Poland's Flagship MUSIC TV CHANNEL

Kino Polska Muzyka is a worldwide music television channel dedicated exclusively to Polish music. Kino Polska Muzyka broadcasts all the greatest hits from the Polish music scene from the past 30 years, perfectly combining nostalgia and modernity. The channel features a variety of music genres from the 80s and 90s as well as the latest hits.

Kino Polska Muzyka is a unique TV channel offering Polish-speaking audiences around the world a chance to enjoy watching again the most popular Polish musical performers, bands and stay up to date with the best new hits straight from Poland.

Reaching

POLISH VIEWERS ABROAD

Today, there are over 10 million Poles living throughout the U.S., UK, and Western Europe. Expatriate Poles constitute a significant and attractive segment of the audience to cable operators, DTH platforms, and Connected TVs in many territories. Our goal is to provide this powerful global community with content they can enjoy anytime, anywhere, and in the same language as they would back home.

In 2012, Kino Polska Muzyka launched across the United States on DISH Network. The response has been overwhelming—thousands of subscribers have been raving about the channel. Now, Kino Polska Muzyka is in talks with a number of major TV distributors to bring its programming to new audience around the globe.
