FROM THE 1980S TILL TODAY

Kino Polska Muzyka takes viewers on a nostalgia trip across several decades of the Polish popular music.

Rock bands and the early boy bands, songs which some viewers remember from their childhood years while to others they bring back memories of their crazy youth. One-hour slots devoted to the 1980s, 1990s and another one-hour slot filled with the musical hits from the 2000s are part of our regular daily programming grid.

We even dig deeper into the past with **ICONIC HITS**, a programming slot which presents the most memorable songs from the 1990s, 1980s and even 1970s. The **HITS OF THE YEAR** is yet another part of the network's daily grid which takes viewers on a journey back to a particular year presenting those songs which topped the charts back in the day.

Kino Polska Muzyka is also interested in the youngest generation of Polish performers. **MŁODA POLSKA (YOUNG POLAND)** is a special slot that presents music videos from today's breakthrough artists as well as those up and coming musicians who have already made their way through in the industry.

COOKING WITH THE STARS

They manage to top the musical charts, create euphoria among their fans but do they know how to cook? Kino Polska Muzyka invites the most famous Polish music stars to cook on the air. **STARS ON A PLATE** is an entertainment show in which artists show up at popular restaurants all over the country but instead of ordering food they actually cook on their own. While preparing dishes the featured artists talk about music, life, share stories and of course sing. Next season is coming up in the Fall 2017.
