# FILM1

## Altijd een goede film

**Film1** group of premium movie channels and VOD services launched in 2006 in the Netherlands. In August of 2019, SPI International acquired the brand assets of Film1 and continues to offer both linear channels and its digital services on various cable, DTH, and IPTV platforms in the Netherlands.

The four pay movie services brands that operate under the Film1 umbrella are Film1 Premiere, Film1 Drama, Film1 Action and Film1 Family. Film1 currently offers an extensive selection of Dutch and international premium content that caters to a multitude of tastes and needs and is offered completely ad-free in the Netherlands.
