## ABOUT **SPI**

**SPI International** is a global media company operating 42 television channels on six continents. FilmBox being its flagship channel, SPI is one of the biggest aggregators of native Ultra HD content in the world. Working with over 700 operators worldwide, SPI uses state of the art technology providing its 90 million subscribers with access to SPI's linear and on demand content including live streaming of UHD programming and FilmBox channels on any Internet-connected device via major global streaming media players as well as local OTT providers. SPI also owns and operates the brand assets of Film1 premium movie services in the Netherlands, including four movie channels and digital services.

For over 25 years, SPI International has been a leading distributor of theatrical films and television programming in the international market. SPI's solid alliances with major license suppliers provide compelling content, with strong recognition and high demand.
