LEGEND OF LAGERFELD

Legendary designer Lagerfeld was already a well-known designer in the early 1980s, when he took the helm at Chanel. Adding unique touches to the brand's classic designs, pioneering high-profile runway shows, and expanding key areas of the business such as perfume and jewelry, he helped turn Chanel into one of the largest and most profitable luxury brands in the world. In this FashionBox original series, we dive into over a decade of Lagerfeld's stunning designs. May he rest in peace.
